Reports:

- **Craig (GSR):** Thanks to many people on B2B, staffed, room opened up, more challenging than normal. Lots of thanks for helping! Dist 24 kicking around idea of online document repository. Lots of concerns have been discussed. Utmost importance for us is keeping anonymity, keeping it private. Idea is to put all the documents in a repository for district records and archives. Craig has information from the last District meeting. Give input to Craig. Will be voted on at District. Three options on the table. Differences in cost versus amount of work. Craig A asking for input on report from ad hoc committee on online repository.
- **Gino (Alt GSR):**
- **Brandon (Treasurer):** See report. Statement balance available after checks clear = \$277.11. Daniel fund is depleted down to \$31.00.
- **Ben (GSC):** Signups are good. Attendance is good. Calling people day of shift has been working well.
- **Craig B (IGR):** Still a vital Intergroup meeting. Founders Day Picnic June 21. Workshop on sponsorship in August. Searching hard for somebody to edit the Message. Craig has put a candidate in touch with the committee at IGR. We said yes to keeping the Message and get an editor for it.
- **Aaron (Alt IGR):** No update.
- **Derrick (CPC):**
- **James (Website):** The demo site has been up for a couple months. Got great feedback. A few suggestions have been sent to James, mostly making things more obvious. Clarifying that it is a closed men's meeting. Put something on there about contributions to Sister Carmen for the landlord. James would like to put announcements, like the picnic, on the site. Put a form on the site that anyone can fill out with events info etc. Met with Don S about the hosting and domain to transfer files. Should be live with the new site within about a week.
- **Larry M (Archives):**
- **Randy (Grapevine):**
- **Ricky (Literature):** Nine pocket eds in stock. Will take a look at what we have. Schedules. Ricky as at Central Office every Friday. Marc will get some schedules for MWSE.
- **Randy (Nightwatch):**
- **Ken (PIR):** Never got a call back. PI committee doesn't have a regular meeting. Ken reminds her but has not heard back.
- **Mikael (Local 12 Step Coordinator):**
- **Marc (Treatment):** Should have been a TFC comm meeting but did not go. Nothing to report.
- **Dan (Phone List):**
- **Tucker (Tue Coffee/Setup):** Nothing to report. Thanks to folks who have helped cover.
- **David A (Tue Cleanup):**
- **Chris (Thu Coffee/Setup):**
- **Ben (Thu Cleanup):**

Old business:

- Brandon--RR reunion someone wants to use \$150 to attend. Approved.
- Craig B. IGR. Do we need to have a prudent reserve? What is the history? We raised it so we could send two people. Suggest that we think about that. >> We provide full funding for GSR to travel to assemblies. Craig moves that we change the name to "assembly travel fund"--keep the amount the same. Discussion. Motion not seconded.
- Craig B. Tried changing one word in the format--"Men here will sponsor..." "The men here will sponsor." Why not change the wording. Approved. Changed in format.
- Randy P--set up a cleaning day for the room. It needs it. Get some volunteers. How about day before B2B. Sat May 16. 8:00 am.
- Randy P. Picnic. July. Weekend after the 4th. John. Sunday July 12--10 - 2 at Waneka Lake.. Flyer template. John is chair. Show up at 10am. 10-2. Try to get a speaker. Craig has someone in mind. Craig is speaker seeker.
- David. When we pass the hat, sometimes it gets passed without the note about the pink can. Move the notice earlier in the meeting format to be sure folks are aware when the hat is passed. Yes. Changed in format.

New business:

- Craig A: Don was generous to buy books for B2B and spot us the books. We have sold 10 of the 14 books. Move we reimburse Don \$40 for the last few books. Passed unanimously.
