Old business:

- Update roster of service positions—positions vacant for three or more months. Try to contact them. Reach out and ask if they are still interested. Randy: reached out to some of our AWOL service position people.

New business:

- Ken: be careful to unplug coffee pot. Do not touch the antique cash register.
- Picnic: first Sunday after July 4th. Announce service position. To help organize the picnic in July. Don has a flyer template.
- Do we pass the sign-up sheet for CO and Nightwatch. Announcement should come from the GSC position holder.
- What do we think about allocating one meeting a month as a speaker meeting? New service position: speaker-seeker. Discussion: One per month may be too frequent. How about once/quarter? We need to fill the position first, then that starts the speaker meeting program. Our own members can tell their stories, too. Suggestion: Ask for chairs to speak and choose a topic? Seconded. Vote 5-4 opposed. Motion fails.
- More discussion. Possibilities of quarterly speakers?
- Suggestion: Invite people when we hear someone we like. Ad hoc?
- Suggestion: One meeting per month focus on service. Discussion. Chair has discretion to focus on service at any time. Spend a little time mentioning the importance of service when announcing open positions. Adjust format to suggest topics of service, sponsorship, and steps. Unanimous.

Open Service Positions:

- Ted is Literature rep. Elected unanimously.
